

St Ann Mission Statement

**God calls us to proclaim The Word
to celebrate our call in the service of one another.**

**In our call of service
we accept the responsibility
to evangelize within our own community and beyond...
to collaborate in the spirit of ecumenism.**

**As a sacramental people
we come together for Word and nourishment,
welcoming and celebrating new life
through Baptism, Confirmation, Eucharist.**

**We are a community that celebrates
God's healing in the Sacraments of Reconciliation
and the Anointing of the Sick,
and God's love in the Sacrament of Marriage and Ordination.**

**We recognize the dignity of each person,
striving to be a more just and peaceful society.**

**We recognize that stewardship is an integral part
of our Christian mission and will commit
ourselves to use resources in a wise manner.**
